

Hello All Current and Potential Cheerleaders!

I am new to the Subzero cheerleading program this year and I wanted to take this opportunity to express how excited I am to begin. The reputation of the program speaks for itself and I must say that I have personally admired the Subzero athletes since the first time I saw them compete. Their hard work and dedication are certainly evidenced by their exceptional performances at competition. I have worked with athletes of all ages for the past 9 years and I know talent when I see it!

I am grateful for the opportunity to work with such an outstanding staff at this prestigious cheerleading institution and I am honored to be a part of the continued growth at Subzero. As a coach, I promise to put forth 110% of my energies to the program and, more specifically, the athletes.

I'm looking forward to a fun and exciting year and many more to come!

Coach Lindsey
